

NEBOSH Examination re-sits

NG1/NG2/NC/FSC1/FSC2/EMC1/EMC2

Overview:

If you have been unsuccessful in passing the Unit examination/s in previous attempts, you can re-sit the exam with us, even if you haven't trained with us in the past.

We would recommend that you attend one of our Revision Workshops to assist you with your revision and examination techniques and maximise the potential outcome of the future exam.

All examination papers are marked by external examiners approved and appointed by NEBOSH.

All exam results are confirmed by NEBOSH approximately 12 weeks upon completion.

Fees: £150 + vat per Unit Exam
